TO; [redacted]

From [redacted]

You will note this 30-25 includes a couple of changes of Secretary GS-6 to Admin Asst. GS-7 at the Division Level. These were individually audited by Mark. Informal evaluation report is attached together with "standardized" job sheet. I consider Mark's report to be fairly good and may consider him for assignment to any Admin.Asst. project that we may dream up.

Bob.
